

VACANCY ANNOUNCEMENT

Department of Nursing Information Systems - Registered Nurse II

POSITION: LAC+USC Medical Center Department of Nursing Information Systems is currently seeking a highly qualified individual to fill the position of Registered Nurse II that will lead clinical systems training and implementations. This position is Monday through Friday day shift. However, appointee may be required to work any shift.

Responsibilities include but are not limited to:

- Performs clinical system testing, implementation, post-conversion assessment.
- Performs on-going systems evaluation and develops recommendation for enhancements and modifications.
- Identifies tools and provides effective teaching methods to educate end-users specific to clinical domain or clinical systems being implemented.
- Provides sustainable training, evaluates end-user learning needs and develops strategies to enhance learning
- Collaborates with administration and clinical staff to develop clinical workflows and documentations in compliance with regulations.
- Evaluates project measurable outcomes and facilitates completion of milestones and deliverables.
- Initiates and leads conferences with stakeholders to improve clinical processes and work products.

Desirable Qualifications:

- Proficiency with Microsoft Office
- Project management experience and ability to lead and direct others.
- Experience in mapping work flows, ability to identify and bridge clinical gaps.
- Excellent oral and written communication skills.
- Experience in support of EMR (Electronic Medical Record) for Nursing Solutions.
- Effective utilization of critical thinking and problem solving.
- Positive attitude, highly motivated, detail and result oriented.
- Bachelor's Degree in Nursing, preferred.

Candidates must currently be a permanent County of Los Angeles employee who hold the payroll title of Registered Nurse II to be considered for a lateral transfer or a reachable candidate on the DHS certification list to be considered as a new-hire. Resumes will be accepted until the needs of the department are met.

Interested applicants should submit a letter of interest, resume, copy of their last two performance evaluations, and a copy of attendance records for the past 24 months to:
